**REDEVELOPMENT AGREEMENT
CITY OF LA SALLE
&
BUCKMAN IRON & METAL CO., INC.
LA SALLE DOWNTOWN TIF DISTRICT V**

THIS AGREEMENT (including Exhibits) is entered into this 3rd day of December, 2013, by the City of LaSalle (the "City"), an Illinois Municipal Corporation, LaSalle County, and Buckman Iron & Metal Co., Inc., an Illinois Corporation (the "Developer").

PREAMBLE

WHEREAS, the City has the authority to promote the health, safety and welfare of the City and its citizens, and to prevent the spread of blight and deterioration and inadequate public facilities, including sanitary sewer, by promoting the development of private investment in the marketability of property thereby increasing the tax base of the City and providing employment for its citizens; and

WHEREAS, pursuant to the Expenses for Economic Development Act, 65 ILCS 5/8-1-2.5, a municipality may expend funds for economic development purposes, including, without limitation, the making of grants to commercial enterprises that are deemed necessary or desirable for the promotion of economic development within the municipality; and

WHEREAS, pursuant to the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4 *et seq.*, as amended (the "Act"), the City has the authority to provide incentives to owners or prospective owners of real property to redevelop, rehabilitate and/or upgrade such property by reimbursing the owner for certain costs from resulting increases in real estate tax revenues ("Tax Increment") or from other City revenues; and

WHEREAS, on April 10, 2007, recognizing the need to foster the development, expansion and revitalization of certain properties which are vacant, underutilized or obsolete or a combination thereof, the City approved a Redevelopment Plan and Projects, designated a Redevelopment Project Area and adopted Tax Increment Financing as provided under the Act for LaSalle Downtown TIF District V (the "TIF District"); and

WHEREAS, one such property in the Redevelopment Project Area in need of development is owned by the Developer and located at 153 Canal Street, LaSalle, Illinois (PIN No. 18-15-329-013) (the "Property"); and

WHEREAS, the Developer is proceeding with plans to construct a new storage building (the “Project”) on the Property, based on the availability of TIF incentives offered by the City; and

WHEREAS, it is the intent of the City to encourage economic development which will increase the real estate base of the City, which increased taxes will be used, in part, to finance incentives to assist development within the TIF District; and

WHEREAS, the Developer’s proposed Project is consistent with the land uses of the City as adopted; and

WHEREAS, the City has the authority under the Act to incur Redevelopment Project Costs (“Eligible Project Costs”) and to reimburse the Developer for such costs; and

WHEREAS, the Developer requested that incentives for the development be provided by the City from incremental increases in real estate taxes of the City generated from its Project and the City agreed to such incentives; and

WHEREAS, the City determined that this Project required the incentives requested as set forth herein and that said Project will, as a part of the Plan, promote the health, safety and welfare of the City and its citizens by attracting private investment to prevent blight and deterioration and to provide employment for its citizens and generally to enhance the economy of the City; and

WHEREAS, the City and the Developer (“Parties”) have agreed to segregate within the Tax Increment Redevelopment Fund: **Fifty percent (50%)** of the “net” incremental increases in real estate tax revenues derived from the Developer’s Project for the current remaining life of the TIF District (December 31, 2030 payable by December 31, 2031), not to exceed **\$65,585** (see **Exhibit 1**), whichever occurs first. “Net increment” is defined as real estate tax increment derived from the Developer’s Project as previously described after payment of a proportionate share of administrative fees and costs and payments pursuant to Intergovernmental Agreements; and

WHEREAS, in consideration of the execution of this Agreement, the Developer is proceeding with the Project as described herein; and

WHEREAS, the City is entering into this Agreement having encouraged and induced the Developer to develop a new storage building on said Property.

AGREEMENTS

NOW, THEREFORE, the Parties, for good and valuable consideration, the receipt of which is acknowledged, agree as follows:

A. PRELIMINARY STATEMENTS

1. The Parties agree that the matters set forth in the recitals above are true and correct and form a part of this Agreement.
2. Any terms which are not defined in this Agreement shall have the same meaning as they do in the Act, unless indicated to the contrary.
3. The City is extending incentives for this project based upon the Developer's completion of the Project as set forth in this Agreement.
4. Each of the Parties represents that it has taken all actions necessary to authorize its representatives to execute this Agreement.

B. ADOPTION OF TAX INCREMENT FINANCING

The City has created a Tax Increment Financing District known as "LaSalle Downtown TIF District V" which includes the Developer's Property. The City has approved certain Redevelopment Project Costs, including the types described in **Exhibit 1** for the Developer's Project.

C. INCENTIVES

In consideration for the Developer purchasing the Property and completing its Project substantially as set forth herein, the City agreed to extend to Developer the following incentives to assist Developer's Project:

1. **Fifty percent (50%)** of the "net" incremental increases in real estate taxes generated by the Developer's Project during the current remaining life of the District, not to exceed **\$65,585** (see **Exhibit 1**). The current remaining life of the TIF District is December 31, 2030, with final

payment by December 31, 2031. These funds are to be allocated to and when collected shall be paid to the City Treasurer for deposit in a separate account within the Special Tax Allocation Fund for this TIF District designated as the **“Buckman Iron & Metal Co., Inc. Special Account”** (the “Special Account”). All monies deposited to this Special Account shall be used exclusively by the City for the purposes set forth in this Agreement.

2. “Net increment” is defined as increases in annual real estate tax increment derived from the Developer’s Project as previously described after payment of a proportionate amount of administrative fees and costs and payments pursuant to Intergovernmental Agreements, if applicable.

D. LIMITATION OF INCENTIVES TO DEVELOPER

1. The Eligible Project Costs of the Developer shall not exceed a total of **\$65,585**.
2. The Developer shall be reimbursed by the City for Eligible Project Costs permitted by the Act (subject to a limitation of \$65,585), excluding land acquisition costs, from the real estate tax increment generated by this Project located on the Property described herein and deposited into the Special Account, but only for the term of the Plan and only from the Property included in this Project and currently owned by the Developer at that location and only pursuant to the terms of this Agreement.
3. It is not contemplated nor is the City obligated to use any of its proportionate share of the monies for any of Developer’s Eligible Project Costs but, rather, the City shall use its sums for any purpose under the Act as it may in its sole discretion determine.

E. PAYMENT OF ELIGIBLE PROJECT COSTS

1. Payment to the Developer for Eligible Project Costs as set forth by the Act, shall be made by a Requisition for Payment of Private Development Redevelopment Costs (Requisition) submitted from time to time by Developer to the City’s TIF Administrator Jacob & Klein, Ltd. and The Economic Development Group, Ltd. (collectively the Administrator) and subject to his approval of the costs and to the availability of funds in the Special Account.
2. All Requisitions must be accompanied by a master list of itemized costs incurred by the Developer for the Project which relate to those categories of estimated TIF Eligible Project Costs

provided in **Exhibit 1**; and such master list is to be supported by all corresponding verified receipts, invoices, bills or statements of suppliers, contractors, or professionals together with Mechanic's Lien Waivers, if applicable, cancelled checks or other proof of payment as required by the City. THE DEVELOPER MUST VERIFY SUFFICIENT TIF ELIGIBLE PROJECT COSTS NO LATER THAN MARCH 31ST OF EACH YEAR FOR City TO EXTEND INCENTIVES PROVIDED FOR IN *SECTION C* RELATING TO TAXES RECEIVED BY THE CITY IN THE PRIOR YEAR.

3. The Developer shall use such sums as reimbursement for Eligible Project Costs only to the extent permitted by law and the Act and may allocate such funds for any purpose for the terms of this Agreement or the term of the TIF District, whichever is longer.
4. The Administrator shall approve or disapprove a Requisition by written receipt to the Developer within thirty (30) business days after receipt of the Requisition. Approval of the Requisition will not be unreasonably withheld. If a Requisition is disapproved by the Administrator the reasons for disallowance will be set forth in writing and the Developer may resubmit the Requisition with such additional information as may be required and the same procedures set forth herein shall apply to such re-submittals.
5. All sums approved shall then be paid from the Special Account to the Developer or to others for their benefit as soon as sums are available. Payment shall be made within thirty (30) days after approval if funds are currently available in the Special Account, and if funds are not then available, payment shall be made within thirty (30) days after funds become available.
6. To the extent the Developer incurs Eligible Project Costs in any years that exceed the available funds in the Special Account that year, the excess Eligible Project Costs shall carry over into future years until fully paid.
7. The Parties acknowledged that the determination of Eligible Project Costs, and, therefore, qualification for reimbursement hereunder are subject to changes or interpretation made by amendments to the Act, administrative rules or judicial interpretation during the term of this Agreement. The City has no obligation to the Developer to attempt to modify those decisions but will assist the Developer in every respect as to obtaining approval of Eligible Project Costs.
8. Eligible Project Costs shall be broadly defined in the Redevelopment Plan to include all costs defined in the Act as Redevelopment Project Costs.

9. The Developer may submit for prior approval of estimated Eligible Project Costs by the City before they are incurred subject to later confirmation by actual bills.

F. VERIFICATION OF TAX INCREMENT

1. It shall be the sole responsibility of the Developer to provide to the City as requested the following:
 - A. Copies of all PAID real estate tax bills, annually, for the Property included in this Project.
2. The failure of the Developer to provide any information required herein, including proper verification of Eligible Project Costs, after notice from the City, and the continued failure to provide such information within thirty (30) days after such notice shall be considered a material breach of this Agreement and shall be cause for the City to deny payments hereunder to the Developer, which payments are conditional upon receipt of the foregoing information.

G. LIMITED OBLIGATION

The City's obligation hereunder to pay the Developer for Eligible Project Costs is a limited obligation to be paid solely from the Special Account. Said obligation does not now and shall never constitute an indebtedness of the City within the meaning of any State of Illinois constitutional or statutory provision and shall not constitute or give rise to a pecuniary liability of the City or a charge or lien against the City's general credit or taxing power.

H. CITY PUBLIC PROJECTS

The City intends to use part or all of its share of the real estate increment generated from the Developer's Project for other public projects within the TIF District. The City shall be eligible for reimbursement of the cost of doing so, as well as other Eligible Project Costs incurred by the City in the TIF District.

I. LIMITED LIABILITY OF CITY TO OTHERS FOR DEVELOPER'S EXPENSES

There shall be no obligation by the City to make any payments to any person other than Developer, nor

shall the City be obligated to make direct payments to any other contractor, subcontractor, mechanic or materialman providing services or materials to Developer for the Project.

J. COOPERATION OF THE PARTIES

The City and the Developer agree to cooperate fully with each other when requested to do so concerning the development of the Developer's Project. This includes without limitation the City assisting or sponsoring the Developer, or agreeing to jointly apply with the Developer, for any grant, award, or subsidy which may be available as the result of the Developer's or City's activities. This also includes without limitation the Developer assisting or sponsoring the City, or agreeing to jointly apply with the City, for any grant, award or subsidy which may be available as the result of the City's or Developer's activities.

K. DEFAULT; CURE; REMEDIES

In the event of a default under this Redevelopment Agreement by any party hereto (the "Defaulting Party"), which default is not cured within the cure period provided for below, then the other party (the "Non-defaulting Party"), shall have an action for damages, or, in the event damages would not fairly compensate the Non-defaulting Parties for the Defaulting Party's breach of this Redevelopment Agreement, the Non-defaulting Party shall have such other equity rights and remedies as are available to them at law or in equity. Any damages payable by the City hereunder shall be limited to the real estate tax increment payable to the Developer under the terms of this Agreement.

In the event a Defaulting Party shall fail to perform a monetary covenant which it is required to perform under this Redevelopment Agreement, it shall not be deemed to be in default under this Redevelopment Agreement unless it shall have failed to perform such monetary covenant within thirty (30) days of its receipt of a notice from a Non-defaulting Party specifying that it has failed to perform such monetary covenant. In the event a Defaulting Party fails to perform any nonmonetary covenant as and when it is required to under this Redevelopment Agreement, it shall not be deemed to be in default if it shall have cured such default within thirty (30) days of its receipt of a notice from a Non-defaulting Party specifying the nature of the default, provided, however, with respect to those nonmonetary defaults which are not capable of being cured within such thirty (30) day period, it shall not be deemed to be in default if it commences curing within such thirty (30) day period, and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

L. TIME; FORCE MAJEURE

For this Agreement, time is of the essence; provided however, Developer and City shall not be deemed in default with respect to any obligations of this Agreement on its part to be performed if Developer or City fails to timely perform the same and such failure is due in whole, or in part, to any strike, lock-out, labor trouble (whether legal or illegal), civil disorder, inability to procure materials, weather conditions wet soil conditions, failure or interruptions of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, war, fuel shortages, accidents, casualties, Acts of God, acts caused directly or indirectly by the City (or City's agents, employees or invitees) when applicable to Developer or third parties, or any other cause beyond the reasonable control of Developer or City.

M. ASSIGNMENT

The rights and obligations of the Developer under this Agreement shall be fully assignable provided advance written notice to the City and the City's prior consent is obtained. No such assignment shall be deemed to release the assignor of its obligations to the City under this Agreement unless the consent of the City to the release of the assignor's obligations is first obtained. Consent shall not be unreasonably withheld provided that the nature of the Project is not substantially changed.

N. PREPAYMENTS

Should the annual incremental tax revenue generated by the Project be sufficient to pay all eligible project costs to the expiration of the term of the Agreement, City may, in its sole discretion, elect to pay all then remaining payments in a single lump sum payment.

O. WAIVER

Any Party to this Agreement may elect to waive any remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless the party waiving such right of remedy does so in writing. No such waiver shall obligate such party to waive any right of remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided said party pursuant to this Agreement.

P. SEVERABILITY

If any section, subsection, term or provision of this Agreement or the application thereof to any party or circumstance shall, to any extent, be invalid or unenforceable, the remainder of said section,

subsection, term or provision of this Agreement or the application of same to parties or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby.

Q. NOTICES

All notices, demands, requests, consents, approvals or other instruments required or permitted by this Agreement shall be in writing and shall be executed by the party or an officer, agent or attorney of the party, and shall be deemed to have been effective as of the date of actual delivery, if delivered personally, or as of the third (3rd) day from and including the date of posting, if mailed by registered or certified mail, return receipt requested, with postage prepaid addressed as follows:

LA SALLE TIF DISTRICT V

THIS AGREEMENT (including Exhibits) is entered into this 7th day of May, 2013, by the City of LaSalle (the “City”), an Illinois Municipal Corporation, LaSalle County, and Thomas Arnold (the “Developer”).

PREAMBLE

WHEREAS, the City has the authority to promote the health, safety and welfare of the City and its citizens, and to prevent the spread of blight and deterioration and inadequate public facilities, including sanitary sewer, by promoting the development of private investment in the marketability of property thereby increasing the tax base of the City and providing employment for its citizens; and

WHEREAS, pursuant to 65 ILCS 5/8-1-2.5 a municipality may expend funds for economic development purposes to commercial enterprises that are necessary or desirable for the promotion of economic development within the municipality; and

WHEREAS, pursuant to the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4 *et seq.*, as amended (the “Act”), the City has the authority to provide incentives to owners or prospective owners of real property to redevelop, rehabilitate and/or upgrade such property by reimbursing the owner for certain costs from resulting increases in real estate tax revenues (“Tax Increment”) or from other City revenues; and

WHEREAS, on April 10, 2007, recognizing the need to foster the development, expansion and revitalization of certain properties which are vacant, underutilized or obsolete or a combination thereof, the City approved a Tax Increment Redevelopment Plan and Projects, designated a Redevelopment Area and adopted Tax Increment Financing as provided under the Act (the “TIF District”); and

WHEREAS, one such property in the Redevelopment Project Area in need of development is owned by the Developer and located at 753 and 757 First Street, LaSalle, Illinois and 111, 119, 121, and 125 Joliet Street, LaSalle, Illinois (parcel identification no. 18-15-414-031) (the “Property”); and

WHEREAS, the Developer is proceeding with plans to renovate an existing building for the development of a mixed use condominium project (the "Project"), based on the availability of TIF incentives offered by the City; and

WHEREAS, it is the intent of the City to encourage economic development which will increase the real estate base of the City, which increased taxes will be used, in part, to finance incentives to assist development within the TIF District; and

WHEREAS, the Developer's proposed Project is consistent with the land uses of the City as adopted; and

WHEREAS, the City has the authority under the Act to incur Redevelopment Project Costs ("Eligible Project Costs") and to reimburse the Developer for such costs; and

WHEREAS, the Developer requested that incentives for the development be provided by the City from incremental increases in real estate taxes of the City generated from its Project and the City agreed to such incentives; and

WHEREAS, the City determined that this Project required the incentives requested as set forth herein and that said Project will, as a part of the Plan, promote the health, safety and welfare of the City and its citizens by attracting private investment to prevent blight and deterioration and to provide employment for its citizens and generally to enhance the economy of the City; and

WHEREAS, the City and the Developer ("Parties") have agreed to segregate within the Tax Incremental Redevelopment Fund: **Fifty percent (50%)** of the "net" incremental increases in real estate tax revenues derived from the Developer's Project for the remaining life of the TIF District, not to exceed **\$401,357.00** (see **Exhibit 1**), whichever occurs first. "Net increment" is defined as real estate tax increment derived from the Developer's Project as previously described after payment of a proportionate share of administrative fees and costs and payments pursuant to Intergovernmental Agreements; and

WHEREAS, in consideration of the execution of this Agreement, the Developer is proceeding with the Project as described herein; and

WHEREAS, the City is entering into this Agreement having encouraged and induced the Developer to develop a mixed use condominium project on said Property.

AGREEMENTS

NOW, THEREFORE, the Parties, for good and valuable consideration, the receipt of which is acknowledged, agree as follows:

A. PRELIMINARY STATEMENTS

1. The Parties agree that the matters set forth in the recitals above are true and correct and form a part of this Agreement.
2. Any terms which are not defined in this Agreement shall have the same meaning as they do in the Act, unless indicated to the contrary.
3. The City is extending incentives for this project based upon the Developer's completion of the Project as set forth in this Agreement.
4. Each of the Parties represents that it has taken all actions necessary to authorize its representatives to execute this Agreement.

B. ADOPTION OF TAX INCREMENT FINANCING

The City has created a Tax Increment Financing District known as "LaSalle TIF District V" which includes the Developer's Property. The City has approved certain Redevelopment Project Costs, including the types described in **Exhibit 1** for the Developer's Project.

C. INCENTIVES

In consideration for the Developer purchasing the Property and completing its Project substantially as set forth herein, the City agreed to extend to Developer the following incentives to assist Developer's Project:

1. **Fifty percent (50%)** of the “net” incremental increases in real estate taxes generated over the base year amount by the Developer’s Project during the remaining life of the District, not to exceed **\$401,357.00** (see **Exhibit 1**). These funds are to be allocated to and when collected shall be paid to the City Treasurer for deposit in a separate account within the Special Tax Allocation Fund for this TIF District designated as the “**Thomas Arnold Special Account**” (the “Special Account”). All monies deposited to this Special Account shall be used exclusively by the City for the purposes set forth in this Agreement.
2. “Net increment” is defined as increases in annual real estate tax increment derived from the Developer’s Project as previously described after payment of a proportionate amount of administrative fees and costs and payments pursuant to Intergovernmental Agreements, if applicable.

D. LIMITATION OF INCENTIVES TO DEVELOPER

1. The Eligible Project Costs of the Developer shall not exceed **\$401,357.00** total.
2. The Developer shall be reimbursed by the City for Eligible Project Costs permitted by the Act (subject to a limitation of \$401,357.00), excluding land acquisition costs from the real estate tax increment generated by this Project located on the Property described herein and deposited into the Special Account, but only for the term of the Plan and only from the Property included in this Project and currently owned by the Developer at that location and only pursuant to the terms of this Agreement.
3. It is not contemplated nor is the City obligated to use any of its proportionate share of the monies for any of Developer’s Eligible Project Costs but, rather, the City shall use its sums for any purpose under the Act as it may in its sole discretion determine.

E. PAYMENT OF ELIGIBLE PROJECT COSTS

1. Payment to the Developer for Eligible Project Costs as set forth by the Act, shall be made by a Requisition for Payment of Private Development Redevelopment Costs (Requisition) submitted from time to time by Developer to the City’s TIF Administrator Jacob & Klein, Ltd. and The Economic Development Group, Ltd. (collectively the Administrator) and subject to his approval of the costs and to the availability of funds in the Special Account.

2. All Requisitions must be accompanied by a master list of itemized costs incurred by the Developer for the Project which relate to those categories of estimated TIF Eligible Project Costs provided in **Exhibit 1**; and such master list is to be supported by all corresponding verified receipts, invoices, bills or statements of suppliers, contractors, or professionals together with Mechanic's Lien Waivers, if applicable, cancelled checks or other proof of payment as required by the City. THE DEVELOPER MUST VERIFY SUFFICIENT TIF ELIGIBLE PROJECT COSTS NO LATER THAN MARCH 31ST OF EACH YEAR FOR City TO EXTEND INCENTIVES PROVIDED FOR IN SECTION C RELATING TO TAXES RECEIVED BY THE CITY IN THE PRIOR YEAR.
3. The Developer shall use such sums as reimbursement for Eligible Project Costs only to the extent permitted by law and the Act and may allocate such funds for any purpose for the terms of this Agreement or the term of the TIF District, whichever is longer.
4. The Administrator shall approve or disapprove a Requisition by written receipt to the Developer within thirty (30) business days after receipt of the Requisition. Approval of the Requisition will not be unreasonably withheld. If a Requisition is disapproved by the Administrator the reasons for disallowance will be set forth in writing and the Developer may resubmit the Requisition with such additional information as may be required and the same procedures set forth herein shall apply to such re-submittals.
5. All sums approved shall then be paid from the Special Account to the Developer or to others for their benefit as soon as sums are available. Payment shall be made within thirty (30) days after approval if funds are currently available in the Special Account, and if funds are not then available, payment shall be made within thirty (30) days after funds become available.
6. To the extent the Developer incurs Eligible Project Costs in any years that exceed the available funds in the Special Account that year, the excess Eligible Project Costs shall carry over into future years until fully paid.
7. The Parties acknowledged that the determination of Eligible Project Costs, and, therefore, qualification for reimbursement hereunder are subject to changes or interpretation made by amendments to the Act, administrative rules or judicial interpretation during the term of this Agreement. The City has no obligation to the Developer to attempt to modify those decisions

but will assist the Developer in every respect as to obtaining approval of Eligible Project Costs.

8. Eligible Project Costs shall be broadly defined in the Redevelopment Plan to include all costs defined in the Act as Redevelopment Project Costs.
9. The Developer may submit for prior approval of estimated Eligible Project Costs by the City before they are incurred subject to later confirmation by actual bills.

F. VERIFICATION OF TAX INCREMENT

1. It shall be the sole responsibility of the Developer to provide to the City as requested the following:
 - A. Copies of all PAID real estate tax bills, annually, for the Property included in this Project.
2. The failure of the Developer to provide any information required herein, including proper verification of Eligible Project Costs, after notice from the City, and the continued failure to provide such information within thirty (30) days after such notice shall be considered a material breach of this Agreement and shall be cause for the City to deny payments hereunder to the Developer, which payments are conditional upon receipt of the foregoing information.

G. LIMITED OBLIGATION

The City's obligation hereunder to pay the Developer for Eligible Project Costs is a limited obligation to be paid solely from the Special Account. Said obligation does not now and shall never constitute an indebtedness of the City within the meaning of any State of Illinois constitutional or statutory provision and shall not constitute or give rise to a pecuniary liability of the City or a charge or lien against the City's general credit or taxing power.

H. CITY PUBLIC PROJECTS

The City intends to use part or all of its share of the real estate increment generated from the Developer's Project for other public projects within the TIF District. The City shall be eligible for reimbursement of the cost of doing so, as well as other Eligible Project Costs incurred by the City in

the TIF District.

I. LIMITED LIABILITY OF CITY TO OTHERS FOR DEVELOPER'S EXPENSES

There shall be no obligation by the City to make any payments to any person other than Developer, nor shall the City be obligated to make direct payments to any other contractor, subcontractor, mechanic or materialman providing services or materials to Developer for the Project.

J. COOPERATION OF THE PARTIES

The City and the Developer agree to cooperate fully with each other when requested to do so concerning the development of the Developer's Project. This includes without limitation the City assisting or sponsoring the Developer, or agreeing to jointly apply with the Developer, for any grant, award, or subsidy which may be available as the result of the Developer's or City's activities. This also includes without limitation the Developer assisting or sponsoring the City, or agreeing to jointly apply with the City, for any grant, award or subsidy which may be available as the result of the City's or Developer's activities.

K. DEFAULT; CURE; REMEDIES

In the event of a default under this Redevelopment Agreement by any party hereto (the "Defaulting Party"), which default is not cured within the cure period provided for below, then the other party (the "Non-defaulting Party"), shall have an action for damages, or, in the event damages would not fairly compensate the Non-defaulting Parties for the Defaulting Party's breach of this Redevelopment Agreement, the Non-defaulting Party shall have such other equity rights and remedies as are available to them at law or in equity. Any damages payable by the City hereunder shall be limited to the real estate tax increment payable to the Developer under the terms of this Agreement.

In the event a Defaulting Party shall fail to perform a monetary covenant which it is required to perform under this Redevelopment Agreement, it shall not be deemed to be in default under this Redevelopment Agreement unless it shall have failed to perform such monetary covenant within thirty (30) days of its receipt of a notice from a Non-defaulting Party specifying that it has failed to perform such monetary covenant. In the event a Defaulting Party fails to perform any nonmonetary covenant as and when it is required to under this Redevelopment Agreement, it shall not be deemed to be in default if it shall have cured such default within thirty (30) days of its receipt of a notice from a Non-defaulting Party

specifying the nature of the default, provided, however, with respect to those nonmonetary defaults which are not capable of being cured within such thirty (30) day period, it shall not be deemed to be in default if it commences curing within such thirty (30) day period, and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

L. TIME; FORCE MAJEURE

For this Agreement, time is of the essence; provided however, Developer and City shall not be deemed in default with respect to any obligations of this Agreement on its part to be performed if Developer or City fails to timely perform the same and such failure is due in whole, or in part, to any strike, lock-out, labor trouble (whether legal or illegal), civil disorder, inability to procure materials, weather conditions wet soil conditions, failure or interruptions of power, restrictive governmental laws and regulations, condemnation, riots, insurrections, war, fuel shortages, accidents, casualties, Acts of God, acts caused directly or indirectly by the City (or City's agents, employees or invitees) when applicable to Developer or third parties, or any other cause beyond the reasonable control of Developer or City.

M. ASSIGNMENT

The rights and obligations of the Developer under this Agreement shall be fully assignable by means of written notice to the City, provided that no such assignment shall be deemed to release the assignor of its obligations to the City under this Agreement unless the consent of the City to the release of the assignor's obligations is first obtained. Consent shall not be unreasonably withheld provided that the nature of the Project is not substantially changed.

N. PREPAYMENTS

Should the annual incremental tax revenue generated by the Project be sufficient to pay all eligible project costs to the expiration of the term of the Agreement, City may, in its sole discretion, elect to pay all then remaining payments in a single lump sum payment.

O. WAIVER

Any Party to this Agreement may elect to waive any remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless the party waiving such right of remedy does so in writing. No such waiver shall obligate such party to waive any right of remedy hereunder, or shall be deemed

to constitute a waiver of other rights and remedies provided said party pursuant to this Agreement.

P. SEVERABILITY

If any section, subsection, term or provision of this Agreement or the application thereof to any party or circumstance shall, to any extent, be invalid or unenforceable, the remainder of said section, subsection, term or provision of this Agreement or the application of same to parties or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby.

Independent Auditor's Report

To the Honorable City Council
City of LaSalle, Illinois

We have audited, in accordance with generally accepted auditing standards, the financial statements of the City of LaSalle, Illinois as of and for the year ended April 30, 2014, and have issued our report thereon dated November 26, 2014.

However, our audit was not directed primarily toward obtaining knowledge of such noncompliance.

This report is intended solely for the information and use of the City Council and management of the organization and the State of Illinois Comptroller and is not intended to be and should not be used by anyone other than these specified parties.
